#### **A Very Special Collector Item**

142. Pease, Alfred E. TRAVEL AND SPORT IN AFRICA One of the most sumptuous big game hunting books. Three royal 4 to volumes. London Arthur Humphreys 1902.  
 Volume 1: 359 pages. 31 colored plates, 3 full page photographic plates, profuse black and white text illustrations, colored folding map. All the game of Somaliland. Much hunting for lions and other antelopes. (Pease also authored another classic, The Book of the Lion, so he know what he writes about.)  
 Volume 2: 314 pages. 20 colored plates, 11 photogravures, profuse black and white text illustrations, second colored folding map. More hunting for lion, elephant, mountain and desert antelope.  
 Volume 3: 232 pages. 6 colored plates, 8 photogravures, many black and white text illustrations. Two folding maps of Abyssinia (now Ethiopia). Comprehensive list of game animals and extensive field notes. The volume contains hunts for lion, elephant, rhinoceros and antelopes.  
 Green cloth backed in cream colored cloth. Gilt spine titles and gilt AEP (author's initials) on front covers. Sir Alfred Pease spent TEN YEARS traveling and hunting throughout Africa and produced what can only be called a monumental work. "The quantity of these sets must have been very little as they are rarely found, and the cost when issued in 1902 was \$300.00!" Quote from Rowland Ward to a prospective US customer prior to 1910. Amazingly this item was never reprinted as no one could hope to match the beauty of the original. A beautiful set worthy of even the fussiest collector with basically no wear. Hinges firm and binding is tight. Probably the book was not read more than once or twice. The books are thick and heavy, yet the corners are square and the spine tips are not worn at all, meaning there was little handling at all. A more than well cared for, really really appreciated set. \$ 15,000.00

Pete's philosophy is definitely "cut to the chase," focus on what is important and get results. He's also culled over 1,000 elephants, plus buffalo, lion and leopard. He's hunted Chewore, Matetsi, Ngamo, Kazuma, Save Valley and recently the amazing Bubye Valley Conservancy. Most of the stories are about hunting dangerous game. As Barrie Duckworth told us, Pete has several nicknames. One is "Gasi," meaning blood because Pete is always happy when there's blood in the back of his hunting truck. The other is "tsetse," or honey badger, because Pete is stubborn tenacious and always willing to go the distance. \$125.00

303. **de Lima, Jorge Alves Chasing the Horizon Hunting in East Africa and India** 2010 CA. 8.5 x 11 inches. 278 pages, 257 photographs. Brian Herne said about Jorge: "There has never been a hunter anywhere in Africa, at any time, who has ever come close to matching his exploits in so many different countries." De Lima described Tanganyika as a hunter's paradise, a "hidden and distant dot on the map capable of protecting any mortal imbued with the spirit of adventure from the bitter realities of the present." Those were the days when safaris were conducted without telephone or tarmac. Jorge had many secret hideaways, far off the beaten track, where there was hardly a track to follow, where clients hunted successfully for the big five and more. DeLima could have been and done anything, but he chose to spend the 20 prime years of his life years hunting big game in Africa. Hunting with clients mainly in Tanzania with a small section on hunting in India. Large format—extra postage. \$150.00

304. **de Lima, Jorge Alves In the Company of Adventure** 2006 CA 335 pp., 159 photographic illustrations, 9 colored maps, index. 8.5 x 11 inches. In 1948 Jorge "got married" to Africa and never looked back. For nowhere else but in her trackless wastes could a young man quench his thirst for grand adventure. His quest for hunting big game made playgrounds of continents, rivulets of oceans and a nutshell of heaven's vaulted dome. In 1948, Jorge went to Africa and for the next 20+ years he traveled and hunted in 8 countries (including Mozambique, Zambia, CAR, Sudan, Angola) as a hunter, professional hunter, ivory hunter, explorer and founder of two safari companies (in Mozambique and Angola). Werner von Alvensleben named his second Mozambique camp after Jorge (de Lima camp). Whether hunting elephants, buffalo, lion, leopard, rhinoceros, bongo or plains game, Jorge is one of a very few who could capture the excitement, challenge and joys of hunting Africa's big game. To all like-minded men and women who venture into blank spaces on the African gameland map, to be confronted with challenges from nature and animals, this book is dedicated. Large format—extra postage. \$150.00

305. **Miller, Gerard Lives of a Professional Hunting Family** Foreword by Danny McCallum. Contributions by Gerard Ambrose. 2003 CA 303 pp., 230 black & white photographic illustrations. 8.5 x 11 inches. From the foreword, "Frank Miller was one of those legendary adventurers and professional hunters with uncanny bush skills who opened and explored vast big game hunting areas. Elsie Miller was formidable with a rifle and an expert tracker. Gerard Miller is considered one of the finest natural hunters of the current hunting era who has honed his skills over the past thirty years...and if you think you have discovered a new piece of hunting country, do not kid yourself, Gerard has already been there." Gerard Miller, one of today's most popular and respected PHs in Tanzania has both a natural hunting ability as well as a keen eye for a good trophy. Look at the photos in his book. There are more stories about hunting the big five than in most other books. \$135.00

306. **Montvoisin, Robert J. Professional Hunter: Along the Roads to Adventure** 2002 CA 284pp., 226 photographic illustrations. 8.5 x 11 inches. Among the cast of characters that played a part in the growth of big game hunting in Central (and East) Africa, Robert Montvoisin is one of the stars. His involvement, over an amazing almost 60 years—40 of them as a professional—in 8 countries (Central African Republic, Chad, Congo, Cameroon, Zambia, Tanzania, Kenya and Morocco) rivals the careers of any PH in Africa. He was one of the first to hunt Africa in her golden era and one of the last to experience the joys of hunting when phenomenal game populations existed. Elephant, lion, leopard, buffalo, bongo and Lord Derby eland—from the forest galleries to the savannas, desert and lake regions. \$125.00

307. **Holmberg, Andrew Out in Africa: The Extraordinary Life and Times of Andrew Holmberg** Foreword by Tony Dyer. 2000 CA. Over 300pp. Over 200 photographs (over 128 full pages of photos). 8.5 x 11 inches. He grew up with the likes of Phil Percival, Bror Blixen and Eric Rundgren. His company, the legendary Selby & Holmberg Safaris took out Robert Ruark. Andrew Holmberg holds the record for the greatest number of 100-pound PLUS elephants. SIXTY THREE taken for family, friends and clients, not counting many that were almost 100 pounds. From the beginning, Holmberg recognized the potential of the harsh Northern Frontier District of Kenya when foot safari blocks were created. He took light loads in because he was going to have heavy tusks and lots of other trophies to take out. His personal best on elephant: 141 pounds per side; his best buffalo: 58 inches! Andrew consistently pioneered hunting new areas. Exceptional trophies were his typical results. In East African professional hunting history, no other individual has been given undisputed credit for so many number one accomplishments. Andrew Holmberg has led a "larger than life" life. \$ 135.00

308. **LeNoel, Christian** **On Target: History and Hunting in Central Africa** 1999 CA 256pp. Almost 135 photographic illustrations. 7x10 inches. While noted elephant hunters have made areas like Karamojo, Oubangui-Chari, and Aouk River well known, no writer has ever produced a book on the history and hunting of these regions. LeNoel is an experienced professional hunter, and a good writer. Bongo, Lord Derby eland, dwarf buffalo, etc. are found only in these remote, hard to penetrate Central African regions. Those who hunt here had to be hardy...because the game and the country demanded 100% . Stories of intrepid hunters, clients, and others in remote areas, keeping their "rifles in the bush" always ready for meeting a 100-pounder, etc. A superb book on big game in Central Africa with stories of hunting man-killers, rogues, 100-pound tuskers and record book trophies. \$ 85.00

309. **Foran, W. R.** (author of Elephant Hunters of the Lado) **Legends of the Field** Issued on behalf of the East African Professional Hunters Association. 1997 CA 319pp. 7 x 10 inches. Line drawings by Bob Kuhn. 26 photographic illustrations. Signed by both Tony Dyer and Tony Archer. You don't need money to go on an old time safari. You have only to open the pages of this book. Foran talks about nine of the most famous early elephant hunters in Africa—Samuel Baker, F.C. Selous, Arthur Neumann, W.C. Oswell, Jim Sutherland, W.D.M. Bell, Frederick Jackson, Andy Anderson and Samaki Salmon. An extraordinary look at hunting during its golden age. \$ 100.00

310. **Bricker, Don** **JUST ALONG FOR THE RIDE** 2012 CA 335 pp, 159 Color ill, 8.5 x 11 inches. Ltd to 1,000 signed, numbered copies. Foreword by Mike Bartlett. Intro by Craigh Hamman. Don Bricker is on every PH's list of favorite clients. He's an enthusiastic hunter whose many accomplishments in the big game hunting field make for great reading (and he's an accomplished writer as well). Most of the book is about hunting in Africa (lots of dangerous game), but Don has been to Europe, Asia, Australia, and made many hunts in North America (lots of sheep hunting). He enjoys the thrill of the hunt, the solitude, and challenges of the chase. The journey, he finds, often provides more memories than the destination.
