201. **HUNTING THE AFRICAN BUFFALO** By Peter Flack You can argue about which animal is the most dangerous, most glamorous, rarest, etc. But what you cannot argue about is the fact the African Cape buffalo hunting is the favorite dangerous big game animal among hunters, and the other African buffalo species are popular to hunt as well. Peter Flack has brought together everything there is to know about hunting the African buffalo (all subspecies). In this monumental work, 480-pages, 700+ color & b/w pictures, there are articles from hunters of yesteryear and top professional and amateur hunters of today. There are even chapters on guns and clothing. Of the 30 articles by today's top professionals 28 have been written especially for this book. The Who's who of this author contributor list includes: Robin Hurt, Don Cowie, Rudy Lubin, Jeff Rann, John Oosthuizen, Jason Roussos and more. Well known hunters from earlier times include Selous, Taylor, Findlay, Christy, Temple-Perkins, Kirby. By having articles from past and present times, the reader can see how things have changed, or how they have remained the same. All of Flack's limited edition books have been sellouts. Trade editions of his works are nicely designed, well produced and garner much praise. Before long they too will be available only on the secondary market. Large format—extra postage. Standard Edition: 1,000 copies, never to be reprinted. \$125.00

For over 40 years in seven African countries John has successfully guided a variety of hunting clients. And Robin Hurt says that as a professional John is in a league of his own. You don't want to miss this book. NEW. Large format—extra postage. \$250.00

203. **Denker, Kai-Uwe ABOUT THE SPIRIT OF THE AFRICAN WILDERNESS:** On the Trail of Old Elephant Bulls. English Language Edition, December 2018, Namibia. 652 pp, profuse color illustrations “It is said that the elephant embodies the spirit of the African wilderness, that no tract of country is truly wild if there are no elephants in it.”

Kai-Uwe Denker is one of Africa's most successful elephant hunters and a former President of the Namibia Professional Hunters Association. He is also a noted author. About the Spirit of the African Wilderness is both a fascinating book on hunting the African elephant, and a story of trophy elephant hunting as a means of conservation. It deals with hunting old elephant bulls mainly in Namibia's northern Kalahari (where the big bulls roam) and where hunting is done in the vastness of a pristine, pathless wilderness and on foot. Kai-Uwe talks about tracking, equipment, and other issues relevant to elephant hunting. These are not hunts from yesteryear. Virtually all hunting in this book has been done within the past twenty years! These engrossing stories take place within our collective recent memory. And the trophy photos, again all from recent hunting seasons, give testimony that Kai-Uwe Denker knows how to hunt these big-tusked trophy elephants. The book starts with an impressive day amidst the vast African wilds (a great hunting story), covers the game fields of the Dark Continent, talks about the elephant as a game animal, the fine art of tracking (including recognizing tracks of young and old elephant bulls), the spell of ivory, elephant hunting and much more. In the not too distant future, this book will stand alongside the Neumann, Stigand, and Sutherland books as one of the great classics on trophy elephant hunting, albeit from a more recent time period. We read about early hunters who took big ivory, but in more recent times, there is no one who comes close to Kai-Uwe Denker in describing so many successful hunts for big ivory. Only a limited number of English language copies available. Order early. Large format postage. \$160.00

## DRUMS OF THE MORNING by Wayne Grant

2020 Zimbabwe. 589 pages, hundreds of color illustrations + black and white drawings

What makes a good lion hunter? He is experienced, knowledgeable, perceptive, patient, principled, persevering, loves adventure, appreciates wildlife, willing to learn, and organized. Wayne Grant possesses all of these traits. And as a professional hunter who is also an author he has the ability to write well. With over 40 years' professional hunting experience, Wayne Grant (author of *Into the Thorns*) has given us a second exceptional book to read, enjoy and learn from. *DRUMS OF THE MORNING* is about hunting lions (and other game, especially Cape buffalo) in Tanzania, Zimbabwe and South Africa. He has culled from his experience the most interesting hunts and relates them to the reader in such a way as you are drawn along on the hunt.

Wayne grew up in Zimbabwe and from an early age knew his life would be spent outdoors. After school and military service, he entered the big game hunting arena both working with or for others, eventually forming his own company. Whether his clients had a lot of prior experience or were novice hunters, Wayne always managed to obtain good quality specimens of the desired trophies. Of course sometimes things don't always go as planned, (when you ask yourself, "What the hell am I doing here in the first place?"), that is when the experienced professional hunter knows what has to be done and how to do it. The stories in *DRUMS OF THE MORNING* will show how rewarding it can be when you finally get that trophy of a lifetime.

For some reading this, lion hunting stories will bring back memories of the sounds and silence of lion hunting. For others it will evoke the kind of emotions that make you want to go on a lion hunt. And for the armchair adventurer reading through these stories will get your adrenaline going. The Lion, the King of Beasts, has always fascinated man, and stories about lion hunting have always been eagerly read. The thrills and pleasure one gets from reading about these lion hunts will live on long after you have closed the pages of this book. After all, a lion is one of the most formidable, dangerous, and intimidating adversaries. Through the exciting pages of *DRUMS OF THE MORNING*, you will come along on some very memorable adventures indeed.

By the time you are reading this, Trophy Room Books will have completed 50 years of specialized selling big game hunting books. We can confidently say that this is one of the best Africa hunting, lion hunting books you will read, reread, and recommend to your fellow hunters or book collectors. \$ 130.00

He's hunted Chewore, Matetsi, Ngamo, Kazuma, Save Valley and recently the amazing Buby Valley Conservancy. Most of the stories are about hunting dangerous game. As Barrie Duckworth told us, Pete has several nicknames. One is "Gasi," meaning blood because Pete is always happy when there's blood in the back of his hunting truck. The other is "tsetsero," or honey badger, because Pete is stubborn tenacious and always willing to go the distance. \$125.00

303. **de Lima, Jorge Alves Chasing the Horizon Hunting in East Africa and India** 2010 CA. 8.5 x 11 inches. 278 pages, 257 photographs. Brian Herne said about Jorge: "There has never been a hunter anywhere in Africa, at any time, who has ever come close to matching his exploits in so many different countries." De Lima described Tanganyika as a hunter's paradise, a "hidden and distant dot on the map capable of protecting any mortal imbued with the spirit of adventure from the bitter realities of the present." Those were the days when safaris were conducted without telephone or tarmac. Jorge had many secret hideaways, far off the beaten track, where there was hardly a track to follow, where clients hunted successfully for the big five and more. DeLima could have been and done anything, but he chose to spend the 20 prime years of his life years hunting big game in Africa. Hunting with clients mainly in Tanzania with a small section on hunting in India. Large format—extra postage. \$150.00

304. **de Lima, Jorge Alves In the Company of Adventure** 2006 CA 335 pp., 159 photographic illustrations, 9 colored maps, index. 8.5 x 11 inches. In 1948 Jorge "got married" to Africa and never looked back. For nowhere else but in her trackless wastes could a young man quench his thirst for grand adventure. His quest for hunting big game made playgrounds of continents, rivulets of oceans and a nutshell of heaven's vaulted dome. In 1948, Jorge went to Africa and for the next 20+ years he traveled and hunted in 8 countries (including Mozambique, Zambia, CAR, Sudan, Angola) as a hunter, professional hunter, ivory hunter, explorer and founder of two safari companies (in Mozambique and Angola). Werner von Alvensleben named his second Mozambique camp after Jorge (de Lima camp). Whether hunting elephants, buffalo, lion, leopard, rhinoceros, bongo or plains game, Jorge is one of a very few who could capture the excitement, challenge and joys of hunting Africa's big game. To all like-minded men and women who venture into blank spaces on the African gameland map, to be confronted with challenges from nature and animals, this book is dedicated. Large format—extra postage. \$150.00

305. **Miller, Gerard Lives of a Professional Hunting Family** Foreword by Danny McCallum. Contributions by Gerard Ambrose. 2003 CA 303 pp., 230 black & white photographic illustrations. 8.5 x11 inches. From the foreword, "Frank Miller was one of those legendary adventurers and professional hunters with uncanny bush skills who opened and explored vast big game hunting areas. Elsie Miller was formidable with a rifle and an expert tracker. Gerard Miller is considered one of the finest natural hunters of the current hunting era who has honed his skills over the past thirty years...and if you think you have discovered a new piece of hunting country, do not kid yourself, Gerard has already been there." Gerard Miller, one of today's most popular and respected PHs in Tanzania has both a natural hunting ability as well as a keen eye for a good trophy. Look at the photos in his book. There are more stories about hunting the big five than in most other books. \$135.00

306. **Montvoisin, Robert J. Professional Hunter: Along the Roads to Adventure** 2002 CA 284pp., 226 photographic illustrations. 8.5 x 11 inches. Among the cast of characters that played a part in the growth of big game hunting in Central (and East) Africa, Robert Montvoisin is one of the stars. His involvement, over an amazing almost 60 years—40 of them as a professional—in 8 countries (Central African Republic, Chad, Congo, Cameroon, Zambia, Tanzania, Kenya and Morocco) rivals the careers of any PH in Africa. He was one of the first to hunt Africa in her golden era and one of the last to experience the joys of hunting when phenomenal game populations existed. Elephant, lion, leopard, buffalo, bongo and Lord Derby eland—from the forest galleries to the savannas, desert and lake regions. \$125.00

307. **Holmberg, Andrew Out in Africa: The Extraordinary Life and Times of Andrew Holmberg** Foreword by Tony Dyer. 2000 CA. Over 300pp. Over 200 photographs (over 128 full pages of photos). 8.5 x 11 inches. He grew up with the likes of Phil Percival, Bror Blixen and Eric Rundgren. His company, the legendary Selby & Holmberg Safaris took out Robert Ruark. Andrew Holmberg holds the record for the greatest number of 100-pound PLUS elephants. SIXTY THREE taken for family, friends and clients, not counting many that were almost 100 pounds. From the beginning, Holmberg recognized the potential of the harsh Northern Frontier District of Kenya when foot safari blocks were created. He took light loads in because he was going to have heavy tusks and lots of other trophies to take out. His personal best on elephant: 141 pounds per side; his best buffalo: 58 inches! Andrew consistently pioneered hunting new areas. Exceptional trophies were his typical results. In East African professional hunting history, no other individual has been given undisputed credit for so many number one accomplishments. Andrew Holmberg has led a "larger than life" life. \$ 135.00

**308. LeNoel, Christian On Target: History and Hunting in Central Africa** 1999 CA 256pp. Almost 135 photographic illustrations. 7x10 inches. While noted elephant hunters have made areas like Karamojo, Oubangui-Chari, and Aouk River well known, no writer has ever produced a book on the history and hunting of these regions. LeNoel is an experienced professional hunter, and a good writer. Bongo, Lord Derby eland, dwarf buffalo, etc. are found only in these remote, hard to penetrate Central African regions. Those who hunt here had to be hardy...because the game and the country demanded 100% . Stories of intrepid hunters, clients, and others in remote areas, keeping their "rifles in the bush" always ready for meeting a 100-pounder, etc. A superb book on big game in Central Africa with stories of hunting man-killers, rogues, 100-pound tuskers and record book trophies. \$ 85.00

Foran talks about nine of the most famous early elephant hunters in Africa—Samuel Baker, F.C. Selous, Arthur Neumann, W.C. Oswell, Jim Sutherland, W.D.M. Bell, Frederick Jackson, Andy Anderson and Samaki Salmon. An extraordinary look at hunting during its golden age. \$ 100.00

Don Bricker is on every PH's list of favorite clients. Most of the book is about hunting in Africa (lots of dangerous game), but Don has been to Europe, Asia, Australia, and made many hunts in North America (lots of sheep hunting). He enjoys the thrill of the hunt, the solitude, and challenges of the chase. The journey, he finds, often provides more memories than the destination.
