203. **Denker, Kai-Uwe ABOUT THE SPIRIT OF THE AFRICAN WILDERNESS:** On the Trail of Old Elephant Bulls. English Language Edition, December 2018, Namibia. 652 pp, profuse color illustrations. "It is said that the elephant embodies the spirit of the African wilderness, that no tract of country is truly wild if there are no elephants in it." Kai-Uwe Denker is one of Africa's most successful elephant hunters and a former President of the Namibia Professional Hunters Association. author. About the Spirit of the African Wilderness is both a fascinating book on hunting the African elephant, and trophy elephant hunting as conservation. It deals with hunting old elephant bulls mainly in Namibia's northern Kalahari (where the big bulls roam) and where hunting is done in the vastness of a pristine, pathless wilderness and on foot. Virtually all hunting in this book has been done within the past twenty years! These stories take place within our recent memory. Trophy photos, again all from recent hunting seasons, give testimony that Kai-Uwe knows how to hunt big-tusked trophy elephants. The book starts with an impressive day amidst the vast African wilds (a great hunting story), covers the game fields of the Dark Continent, talks about the elephant as a game animal, the fine art of tracking, the spell of ivory, elephant hunting and more. This book stands with Neumann, Stigand, and Sutherland books as a great classic on elephant hunting. We read about early hunters who took big ivory, but in recent times, no one who comes close to Kai-Uwe Denker in describing so many successful hunts for big ivory. Only a limited number of English language copies available. Large format postage.

Those were the days when safaris were conducted without telephone or tarmac. Jorge had many secret hideaways, far off the beaten track, where there was hardly a track to follow, where clients hunted successfully for the big five and more. DeLima could have been and done anything, but he chose to spend the 20 prime years of his life years hunting big game in Africa. In 1948, Jorge went to Africa and for the next 20+ years he traveled and hunted in 8 countries (including Mozambique, Zambia, CAR, Sudan, Angola) as a hunter, professional hunter, ivory hunter, explorer and founder of two safari companies (in Mozambique and Angola). Werner von Alvensleben named his second Mozambique camp after Jorge (de Lima camp). Whether hunting elephants, buffalo, lion, leopard, rhinoceros, bongo or plains game, Jorge is one of a very few who could capture the excitement, challenge and joys of hunting Africa's big game. To all like-minded men and women who venture into blank spaces on the African gameland map, to be confronted with challenges from nature and animals, this book is dedicated. 307. **Holmberg, Andrew** **Out in Africa: The Extraordinary Life and Times of Andrew Holmberg** Foreword by Tony Dyer. 2000 CA. Over 300pp. Over 200 photographs (over 128 full pages of photos). 8.5 x 11 inches. He grew up with the likes of Phil Percival, Bror Blixen and Eric Rundgren. His company, the legendary Selby & Holmberg Safaris took out Robert Ruark. Andrew Holmberg holds the record for the greatest number of 100-pound PLUS elephants. SIXTY THREE taken for family, friends and clients, not counting many that were almost 100 pounds. From the beginning, Holmberg recognized the potential of the harsh Northern Frontier District of Kenya when foot safari blocks were created. He took light loads in because he was going to have heavy tusks and lots of other trophies to take out. His personal best on elephant: 141 pounds per side; his best buffalo: 58 inches! Andrew consistently pioneered hunting new areas. Exceptional trophies were his typical results. In East African professional hunting history, no other individual has been given undisputed credit for so many number one accomplishments. Those who hunt here had to be hardy...because the game and the country demanded 100% . Stories of intrepid hunters, clients, and others in remote areas, keeping their "rifles in the bush" always ready for meeting a 100-pounder, etc. A superb book on big game in Central Africa with stories of hunting man-killers, rogues, 100-pound tuskers and record book trophies. \$ 85.00
